Curriculum Vitae

Jennifer S. Ford, Ph.D.

Professor of Psychology
Associate Dean for Faculty and Academic Affairs, Arts and Sciences
Hunter College
The City University of New York
695 Park Avenue, New York, NY 10065

Doctoral Faculty in Psychology
Health Psychology and Clinical Science Program
The Graduate Center
The City University of New York

EDUCATION

Post-Doctoral Fellow	**Memorial Sloan Kettering Cancer Center**, September 2001-March 2004 NIH T32 Psycho-Oncology Fellowship Emphasis: Health Psychology, Psycho-Oncology New York, New York
Ph.D.	**Kent State University**, August 2001 Clinical Psychology, child concentration Doctoral Mentor: Stevan Hobfoll, Ph.D. Kent, Ohio
M.A.	**Kent State University**, 1998 Clinical Psychology Mentor: Stevan Hobfoll, Ph.D. Kent, Ohio
B.A.	**Washington University**, 1995 Psychology Major St. Louis, Missouri

ACADEMIC AND PROFESSIONAL APPOINTMENTS

CURRENT ACADEMIC APPOINTMENTS

2025 – present **Associate Dean for Faculty and Academic Affairs**
Hunter College, City University of New York (CUNY)
Arts & Sciences
New York, New York

- Co-lead Academic Program Reviews for Arts & Sciences departments (22 of the 26 departments in Arts & Sciences)
- Developed a system for managing faculty personnel cases, including reappointments, tenure and promotion
- Created and lead new-faculty orientation; developed "Hunter 101," a guide to Hunter systems, offices and processes
- Instituted multiple mentoring workshops and professional-development programming for all full-time faculty (over 460 faculty)
- Contributed to improving operational efficiency by streamlining internal administrative and budgetary processes.
- Improve communication and streamline processes for faculty personnel and policy matters

2018 – present **Professor of Psychology** (with tenure)
Hunter College, City University of New York (CUNY)
New York, New York

2018 – present **Doctoral Faculty in Psychology**
Health Psychology and Clinical Science Program
The Graduate Center, City University of New York (CUNY)

PAST EMPLOYMENT

2023 – 2025 **Deputy Chair**
Department of Psychology
Hunter College, City University of New York
New York, New York

2018 – 2023 **Deputy Director/ Co-Director of Clinical Training**
Health Psychology and Clinical Science, Doctoral Program in Psychology
The Graduate Center, City University of New York (CUNY)
New York, New York

2016 – 2018 **Associate Member**
Memorial Sloan Kettering Cancer Center, New York, New York

2006 – 2016	**Assistant Attending Psychologist** Memorial Sloan Kettering Cancer Center, New York, New York
2006 – 2009	**Assistant Member (Level 1)** Memorial Sloan Kettering Cancer Center, New York, New York
2004 – 2006	**Instructor** Memorial Sloan Kettering Cancer Center, New York, New York
2018	**Associate Member** Memorial Hospital, New York, New York
2009 – 2016	**Assistant Member** Memorial Hospital, New York, New York
2018	**Associate Attending Psychologist** The New York Presbyterian Hospital, New York, New York
2006 – 2018	**Assistant Attending Psychologist** The New York Presbyterian Hospital, New York, New York
2004 – 2006	**Professional Associate, Psychology** The New York Presbyterian Hospital, New York, New York
2006 – 2018	**Assistant Professor of Psychology in Psychiatry** Weill Cornell Medical College, New York, New York
2004 – 2006	**Instructor of Psychology in Psychiatry** Weill Cornell Medical College, New York, New York
2000 – 2001	**Pre-doctoral Clinical Psychology Intern** Maimonides Medical Center, Brooklyn, New York
1999 – 2000	**Psychology Extern** NOVA Behavioral Health, Dayton, Ohio
1996 - 2000	**Graduate Research Assistant** Kent State University, Department of Psychology, Kent, Ohio
1994 - 1996	**Research Assistant** Washington University, Department of Psychology, St. Louis, Missouri
1994 - 1996	**Research Assistant** Washington University School of Medicine, Department of Psychiatry St. Louis, Missouri

LEADERSHIP POSITIONS

2018 – present **Director**
Hunter Psycho-Oncology Laboratory
Hunter College, City University of New York (CUNY)
New York, New York

2023 – present **Associate Director, Hunter College Center for Cancer Health Disparities Research**
Hunter College, City University of New York (CUNY)
New York, New York

2020 – 2024 **Psychology Honors Coordinator**
Hunter College, City University of New York (CUNY)
New York, New York

2022 – 2023 **Research Integrity Officer (RIO)**
Hunter College, City University of New York (CUNY)
New York, New York

RESEARCH GRANTS

PRINCIPAL INVESTIGATOR / MULTIPLE PRINCIPAL INVESTIGATOR

Active

2023 – 2028 **National Cancer Institute (NCI 2U54CA221704)** $11,675,391
TUFCCC/HC Regional Comprehensive Cancer Health Disparities Partnership
This is a partnership between Temple University/Fox Chase cancer Center and Hunter College and is designed to promote inclusive excellence and break systemic barriers to close gaps in cancer health disparities research, education, community outreach and engagement, and achieve infrastructure capacity building.
Role: Multiple Principal Investigator (with Drs. Joel Erblich, at Hunter College and Grace Ma at Temple University/Fox Chase Cancer Center)

2023 – 2028 **National Institutes of Health (NIGMS) T34-GM149429** $2,522,015
MARC Program at Hunter College, CUNY
This project is designed to increase the number of underrepresented minorities completing PhDs in the biomedical sciences by providing academic and professional support for undergraduate students.
Role: Multiple Principal Investigator (with Ben Ortiz, PhD)

2022 – 2027 **National Cancer Institute (R25 CA260125)** $1,500,000
STANDOUT in Behavioral Cancer Prevention and Control Research: Summer Training Accelerating and Nurturing the Development of Outstanding Undergraduate Trainees
Summer training program giving undergraduates immersive exposure to behavioral cancer prevention and control research and training.
Role: Multiple Principal Investigator (with Joel Erblich, PhD)

Completed

2018 – 2023 **National Cancer Institute (1R01CA134722-06A1)** $3,072,928
EMPOWER study: Promoting BC screening in Women
Who Survived Childhood Cancer
Randomized controlled trial utilizing mobile and web-technology aimed at increasing breast cancer screening rates among women who were treated for a pediatric cancer with chest radiation.
Role: Multiple Principal Investigator (with Kevin Oeffinger, M.D.)

2023 **Ruth Weintraub Endowed Faculty Support Fund** $3000
Hunter College, City University of New York
Role: Principal Investigator

2022 – 2023 **PSC-CUNY** $6000
Assessing Cancer's Impact on Sexual Self-Concept, Fertility and Family-Building among Young Adult Black/African-American and Hispanic/Latina Survivors
Cross-sectional study of sexual self-concept and family building for Black and Latina young adult cancer survivors
Role: Principal Investigator

2018 – 2022 **National Institutes of Health (NIGMS) T34-GM007823** $1,153,520
Interdisciplinary Biomedical Research Training at Hunter.
This project is designed to increase the number of underrepresented minorities completing PhDs in the biomedical sciences by providing academic and professional support for undergraduate students.
Role: Principal Investigator

2020 – 2021 **PSC-CUNY** $6000
Family building and fertility in Black and Latina Young Adult Survivors of Cancer
Survey of family building among young adult black and Latina young adult survivors
Role: Principal Investigator

2007 – 2013 **American Cancer Society (MRSG-07-165-01-CPPB)** $729,000
Career Development Award
Identity and adaptation among adolescent cancer survivors
The goal of this mentored research scholar grant is to focus on understanding adolescent cancer survivors' identity development and adaptation.
Role: Principal Investigator

2005 – 2009 **Memorial Sloan Kettering Cancer Center Research and Development Fund** $150,000
A global assessment of medical morbidities
and quality of life among survivors of Hodgkin Lymphoma
The purpose of this study is to investigate comprehensive medical and psychosocial morbidities in adult survivors of Hodgkin lymphoma.
Principal Investigator: David Straus, MD
Role: Co-Principal Investigator

2004 – 2009 **National Cancer Institute (R01 CA106914)** $2,131,958
A web-based smoking intervention for childhood cancer survivors Subcontract: $265,094
A randomized comparative effectiveness study focused on a web-based versus a print smoking cessation intervention for childhood and young adult cancer survivors
Principal Investigator: Karen Emmons, PhD
Role: Site-Principal Investigator

2006 – 2008 **T. J. Martell Foundation** $59,835
Determinants of adolescent cancer survivors' health behaviors
The purpose of this study is to investigate health-damaging and health protective behaviors among survivors of adolescent cancers and to identify determinants of these behaviors.
Role: Principal Investigator

2004 – 2007 **National Cancer Institute (R03 CA101514)** $168,200
Health behaviors in adolescent cancer survivors
The goal of this study is to examine a theoretically-driven model of adolescent cancer survivors' health-protective and health-damaging behaviors.
Role: Principal Investigator

2004 – 2007 **The Society of Memorial Sloan Kettering Cancer Center Survivorship Fund** $100,000
Development of computer-assisted psychosocial screening for adult survivors of childhood cancer
The purpose of this study is to investigate a technology-based psychosocial screening tool for survivors of childhood cancer and its utility in identifying psychosocial difficulties during routine survivorship clinic visits.
Role: Principal Investigator

CO-INVESTIGATOR / CONSULTANT

Active

2026 – 2031 **National Cancer Institute (R34)**
Adaptation of a family building decision aid tool for sexual and gender minority cancer survivors
Principal Investigator: Catherine Benedict, PhD
Role: Consultant

2024 – 2029 **National Cancer Institute (1R01CA286563-01)** $2,074,996
Decreasing Cardiometabolic Risk in Survivors of Childhood Cancer: Survivors engaged in Time-Restricted Eating after Therapy (STRENGTH Study)
Principal Investigator: Danielle Friedman, MD
Role: Co-Investigator

2023 – 2028 **National Cancer Institute (**1R37CA282148) $2,089,590
Testing the efficacy of a decision aid and planning tool for family building after cancer

This project will test the efficacy of the Roadmap to Parenthood software, an interactive web-based decision aid and planning tool for family building after cancer for young adult female survivors (18-45 years old; assigned female at birth) who completed gonadotoxic cancer treatment.
Principal Investigator: Catherine Benedict, PhD
Role: Co-Investigator

Under Review

2026 – 2031 **National Cancer Institute (R01)**
The SPRINT Study (SMN Screening and PRevention INTervention)
PI: Tara Henderson, MD
Role: Consultant

Completed

2020 – 2025 **National Cancer Institute (R01 CA255269)** $2,992,490
ASPIRES (**A**ctivating cancer **S**urvivors to **I**ncrease Colo**RE**ctal cancer **S**creening) Study.
Randomized controlled trial utilizing mobile and web-technology aimed at increasing colon cancer screening rates among adult survivors of childhood cancers
Principal Investigators: Tara Henderson, MD and Karen Kim, MD
Role: Co-Investigator

2014 – 2019 **National Cancer Institute (1R01 CA187397-01)** $3,220,769
Exercise and Quality Diet After Leukemia
Randomized, controlled trial of a diet and physical activity intervention for weight loss in adult survivors of childhood acute lymphocytic leukemia (ALL).
Principal Investigator: Emily Tonorezos MD
Role: Co-Investigator

2009 – 2015 **National Cancer Institute (R01 CA134722)** $4,785,747
EMPOWER Study: Encouraging Mammography/MRI And Preventive Opportunities
Randomized clinical trial aimed at increasing breast cancer screening rates among women who were treated for a pediatric cancer with chest radiation.
Principal Investigator: Kevin Oeffinger, MD
Role: Co-Investigator

2006 – 2009	**Chanel Foundation** Allogenic stem cell transplant, abdominal obesity and cardiovascular risk factors in adult female cancer survivors The purpose of this study is to better understand why some women who survived cancer later develop diabetes, problems with their cholesterol, or other problems that may lead to heart disease. Principal Investigator: Kevin Oeffinger, MD **Role: Co-Investigator**	$150,000
2006 – 2009	**The New York Community Trust** Fight for Sight: Quality of life assessment in retinoblastoma survivors The purpose of this study is to investigate the quality of life and psychosocial outcomes in the largest cohort of survivors of childhood retinoblastoma. Principal Investigator: Ira Dunkel, MD **Role: Co-Investigator**	$100,000
2006 – 2009	**Lance Armstrong Foundation** Cross-sectional study of psychosexual impact of cancer-related infertility: Third party reproductive assistance The purpose of this study is to empirically assess emotional and sexual functioning, reproductive concerns, quality of life, and awareness of third-party reproduction in cancer-related infertile women, compared to those without a cancer history. Principal Investigator: Jeanne Carter, PhD **Role: Co-Investigator**	$108,729
2002 – 2005	**The Jacob and Valeria Langeloth Foundation** The impact of a dedicated clinic for survivors of childhood cancer and subsequent psychological adjustment and health behaviors. The purpose of this study is to investigate outcomes among childhood cancer survivors who attend survivorship clinic visits and whether these visits impact knowledge, psychosocial adjustment and subsequent health behaviors, compared to those who do not attend. Principal Investigator: Charles Sklar, MD **Role: Co-Investigator**	$310,940

MENTORED TRAINEE AND EARLY-CAREER INVESTIGATOR AWARDS

Active

2025 – 2030 **Department of Defense (CA240267)** $3,200,000
Adaptation of an Inhaled Substance Use Intervention for Adolescent and Young Adult Cancer Survivors
Principal Investigator: Lindsay Schwartz, MD
Role: Faculty Mentor, Co-Investigator

2025 – 2026 Graduate Center Dissertation Year Fellowship $25,000
Principal Investigator: Megan Wirtz
Role: Faculty Mentor

2025 – 2026 **Cancer Health Disparities Pilot Research Program, U54 TUFCCC/HC Regional Comprehensive Cancer Health Disparity Partnership**
(U54 CA221704) $10,000
Cancer Awareness and Reproductive Empowerment (CARE)
Principal Investigators of pre-pilot grant: Megan Wirtz & Sharlane Lau (doctoral students)
Role: Faculty Mentor

2025 – 2026 **Doctoral Student Research Grant, City University of New York (CUNY)**
Cancer Awareness and Reproductive Empowerment (CARE)
Principal Investigator: Megan Wirtz (graduate student)
Role: Faculty Mentor

2025 – 2026 **Doctoral Student Research Grant, City University of New York (CUNY)**
Elucidating Anxiety in the AYA Cancer Survivorship Experience (EASE)
Principal Investigator: Carly Mann Miron (graduate student)
Role: Faculty Mentor

Completed

2024 – 2025 **Cancer Health Disparities Pilot Research Program, U54 TUFCCC/HC Regional Comprehensive Cancer Health Disparity Partnership**
(U54 CA221704) $10,000
Elucidating Anxiety in the AYA Cancer Survivorship Experience (EASE).
Principal Investigator of pre-pilot grant: Carly Miron (doctoral student)
Role: Faculty Mentor

2019 – 2024 **National Cancer Institute (K07 CA 229186)** $695,755
Family-building after cancer: Preferences, Decisions,
And Planning for Young Female Survivors
Career award focused on developing an interactive, web-based decision aid and planning tool for young adult female cancer survivors preparing for future family-building after treatment.
Principal Investigator: Catherine Benedict, PhD
Role: Faculty Mentor

2023 – 2024 **Cancer Health Disparities Pilot Research Program, U54 TUFCCC/HC Regional Comprehensive Cancer Health Disparity Partnership**
(U54 CA221704) $10,000
Relationships, intimacy, and self-esteem among sexual and gender minority cancer survivors
Principal Investigator of pre-pilot grant: Megan Wirtz (doctoral student)
Role: Faculty Mentor

2017 – 2023 **National Cancer Institute (1F99CA22272701)** $316,256
A Biopsychosocial Approach to Behavioral Oncology in
Young adults
A pre-doctoral and post-doctoral award focused on technology based social support, compared with face-to-face communication in young adult breast cancer survivors.
Principal Investigator: Kathleen Darabos (student)
Role: Faculty Mentor

2020 – 2021 **Doctoral Student Research Grant, City University of New York (CUNY)** $3500
Investigating Emotional Regulation, Social Isolation and Imagined Futures among Young Adult Survivors of Cancer
Qualitative study focused on young adult cancer survivors' anxiety, social isolation and sense of future
Principal Investigator: Zeba Ahmad (graduate student)
Role: Faculty Mentor

2020 – 2021 **Provost's Pre-Dissertation Science Research Fellowship, City University of New York (CUNY)** $5000
Young Adult Survivors of Cancer and Relationships
Mixed methods study focused on young adult survivors' psychosocial functioning and relationship changes after cancer
Principal Investigator: Zeba Ahmad (graduate student)
Role: Faculty Mentor

2020 – 2021 **Pre-pilot Study through Temple University Fox Chase Cancer Center and Hunter College Regional Comprehensive Cancer Health Disparity Partnership (TUFCCC/HC Cancer Partnership; 5U54CA221705)** $9250

Qualitative Investigation of Disparities and Socio-cultural Differences in Oncofertility Care among Young Adult Cancer Survivors
Individual interviews among Black and Latina young adult cancer survivors focused on fertility and family-building
Principal Investigator: Zeba Ahmad (graduate student)
Role: Faculty Mentor

2017 – 2019 **National Cancer Institute (R03 CA212924-01)** $82,000
Developing a Decision Aid for Adolescent and Young Adult Female Cancer Survivors Considering Future Family-Building After Treatment
Study to develop a decision aid focused on young adult survivors' family-building through assisted reproductive technology or adoption and how financial pressures may influence the process.
Principal Investigator: Catherine Benedict, PhD
Role: Faculty Mentor

CONFERENCE PRESENTATIONS AND INVITED TALKS

**indicates student or research assistant co-author(s)*

Cao N*, Wirtz M*, **Ford JS**. Exploring How Young Adult Survivors of Childhood and Adolescent Cancer Cope with Late Effects. Presented at the ASCO Quality Care Symposium, October, 2026, Boston, MA.

Henderson TO, Bardwell J, Moskowitz CS, Schwartz LF, Gallagher GB, McDonald AJ, Alston S, Vukadinovich C, Jackson A, Lam H, Curry MA, Oeffinger KC, **Ford JS**, Elkin EB, Nathan PC, Armstrong GT, Kim K. The ASPIRES study: Promoting colorectal cancer surveillance in childhood cancer survivors – A randomized intervention trial from the Childhood Cancer Survivor Study (CCSS). Presented at the Annual Meeting of the American Society of Clinical Oncology, May-June, 2026, Chicago, IL.

Erblich J, **Ford JS,** Montgomery GH. The STANDOUT Program: A model for undergraduate training and career development in behavioral cancer prevention and control. Presented at The American Association for Cancer Research Annual Meeting, April 2026, San Diego, CA.

Ananth S, Lee S, Jagielo AD, Schapira L, Simon P, **Ford JS,** Diefenbach M, Spiegel D & Benedict C. Evaluating recruitment strategies for a clinical trial with young adult cancer survivors. Poster presented at the 47th Annual Meeting of the Society of Behavioral Medicine, April 2026, Chicago, IL.

*Wirtz MR, & **Ford JS.** "You Should Just Be Focused on Surviving": A Qualitative Study of Sexual Late Effects Among Young Adult Survivors of Childhood Cancer. Poster presented at the 47th Annual Meeting of the Society of Behavioral Medicine, April 2026, Chicago, IL.

Jagielo AD, Ananth S, Lee S, Smith S, Simon P, Schapira L, **Ford JS,** Diefenbach M., Spiegel D, & Benedict C. Optimizing Oncofertility Survivorship Care: Factors Influencing Risk Communication and Decision-Making Confidence in Young Adult Female Cancer Survivors. [Oral presentation]. Presented at the 47th Annual Meeting of the Society of Behavioral Medicine, April 2026, Chicago, IL.

Ahmad ZN & **Ford JS.** Qualitative Study of Cultural, Racial and Ethnic Considerations in Decision-Making about Onco-fertility Care and Family-Building among Hispanic/Latina and Black/African-American Young Adult Women. Presented as part of the Unique Challenges among Young Adults with Cancer: Fertility, Family Planning, and Navigating the Future Symposium at the 47th Annual Meeting of the Society of Behavioral Medicine, April 2026, Chicago, IL.

Jendrzejewski S, *Wirtz MR, Benedict C, & **Ford JS**. Intimacy, relationships, and sexual well-being among asexual young adult cancer survivors. Workshop presented at the 2025 American Association of Sexuality Educators, Counselors and Therapists (AASECT) Annual Conference, June 2025, Las Vegas, NV.

*Whalen-Kipp O, Ahmad Z, *Wirtz M, & **Ford JS**. An Exploration of Themes about Sexual Health Among Black and Latina Young Adult Female Cancer Survivors. Poster presented at the Annual Meeting & Scientific Sessions of the Society of Behavioral Medicine, March, 2025. San Francisco, CA.

*Miron CD, Ahmad ZN, & **Ford JS**. Connections after Cancer: Adolescent and young adult survivors' perspectives on forming new friendships after cancer. Poster presented at the Society of Behavioral Medicine (SBM) Annual Meeting, March, 2025. San Francisco, CA.

*Wirtz MR, *Miron CD, *Scotchie K, Jendrzejewski S, & **Ford JS**. Relationships, Intimacy, and Self-Esteem Among Sexual and Gender Minority Cancer Survivors.[Live Research Spotlight]. Presented at the Annual Meeting of the Society of Behavioral Medicine, March, 2025. San Francisco, CA.

Jagielo AD, Shanley J, Diefenbach MA, **Ford JS,** Schapira L, Benedict C. Perceived impact of a decision-aid and planning tool for family building after cancer for young adult female cancer survivors. Poster presented at the Society of Behavioral Medicine (SBM) Annual Meeting, March, 2025. San Francisco, CA.

*Allard NC, Gage-Bouchard E, **Ford JS**, Feeley TH, Rokitka D, Orom H. Time to diagnosis for young adults with cancer: A qualitative study exploring symptom appraisal, help-seeking behaviors, and diagnostic delays. Poster presented at the Society of Behavioral Medicine (SBM) Annual Meeting, March, 2025. San Francisco, CA.

Tatum KL, **Ford JS,** Henning T, Casanave-Phillips KM, Bean MK, LaRose JG. Exploring the role of social drivers of health and protective factors on quality of life among adolescent and

young adult survivors. Poster presented at the Society of Behavioral Medicine (SBM) Annual Meeting, March, 2025. San Francisco, CA.

*Eliyahu T, Wirtz M, & **Ford JS**. Anxiety around sexual relationships and sexual behaviors among SGM YA cancer survivors Poster presented at the American Psychosocial Oncology Society (APOS) Conference, March, 2025, Pittsburgh, PA.

Wu HW, Oeffinger KC, Chou JF, Henderson TO, Hudson MM, Diller L, McDonald AJ, Ford J, Mubdi NZ, Rinehart D, Vukadinovich C, Elkin EB, Leisenring WM, Armstrong GT, **Ford JS** & Moskowitz CS (Ford and Moskowitz, co-senior authors). Fidelity to a randomized intervention to increase mammography uptake among childhood and adolescent cancer survivors. Presented at the 2024 Global Adolescent and Young Adult Cancer Congress, December 2024, Melbourne, Australia.

*Miron C & **Ford JS**. Elucidating Anxiety in the AYA Cancer Survivorship Experience (EASE): Approach and Methodology, Presented at the Association of Behavioral and Cognitive Therapies (ABCT) Annual Meeting, November 2024, Philadelphia, PA.

Wu HW, Oeffinger KC, Chou JF, Henderson TO, Hudson MM, Diller L, McDonald AJ, Ford J, Mubdi NZ, Rinehart D, Vukadinovich C, Elkin EB, Leisenring WM, Armstrong GT, **Ford JS** & Moskowitz CS (Ford and Moskowitz, co-senior authors). Fidelity to a randomized intervention to increase mammography uptake among childhood and adolescent cancer survivors: A report from the Childhood Cancer Survivor Study (CCSS). Presented at the 56th Congress of the International Society of Paediatric Oncology (SIOP 2024), October 17-20, Honolulu, Hawaii.

*Wirtz MR & **Ford JS.** Relationships, intimacy, and self-esteem among young adult cancer survivors. Presented at the Science of Cancer Health Equity for Sexual and Gender Minority Communities summit, October 3-4, 2024, Rochester, New York.

*Tatum KL, LaRose JG, **Ford JS,** Bean M. Challenges in online recruitment of adolescent and young adult (AYA) cancer survivors: Strategies and lessons learned from a mixed methods study. Presented at the 2024 Walter Lawrence Jr., MD Research Retreat, September 2024, Richmond, VA.

Revenson TA, **Ford JS,** Ahmad Z, *Miron C, *Stein A. Loneliness among young adults with cancer: A blueprint for intervention. Paper presented in the symposium, Connections that heal: Innovative approaches to reduce loneliness (L.M. Warner & S. Cipoletta, Chairs) at the Annual Meeting of the European Health Psychology Society, September 2024, Cascais, Portugal.

*Miron C, Ahmad Z, Wirtz M, **Ford JS.** A qualitative exploration of the changing dynamics between adolescent and young adult cancer patients and their pre-existing peers. Poster presented at the 6th Annual SPEECH Regional Comprehensive Cancer Health Disparity Conference, May 2024, New York, NY.

*Wirtz MR, *Miron CD, **Ford JS.** Psychometric analysis of common measurements used in AYA survivorship studies. Poster presented at the 6th Annual SPEECH Regional Comprehensive Cancer Health Disparity Conference, May 2024, New York, NY.

*Amadio J & **Ford JS.** Covariates of alcohol use among adolescent and young adult (AYA) cancer survivors. Poster presented at the 6th Annual SPEECH Regional Comprehensive Cancer Health Disparity Conference, May 2024, New York, NY.

*Scotchie K & **Ford JS.** Young adult survivors' perspectives on changing parent-child relationships after cancer. Poster presented at the 6th Annual SPEECH Regional Comprehensive Cancer Health Disparity Conference, May 2024, New York, NY.

Benedict C., **Ford JS**, Schapira L., Davis A., Simon P., Spiegel D., & Diefenbach M. 'Roadmap to Parenthood' decision aid and planning tool for family building after cancer: Results of a single-arm pilot study. Presented at the Society of Behavioral Medicine Annual Meeting, March 2024, Philadelphia, PA.

*Miron CD, Ahmad ZN, Wirtz MR, & **Ford JS**. "A lot of friendships were tested:" A qualitative exploration of the changing dynamics between AYA cancer patients and their pre-existing peers Presented at the Society of Behavioral Medicine Annual Meeting, March 2024, Philadelphia, PA.

Wirtz MR, Miron CD. & **Ford JS.** (2024, March). Psychometric analysis of common measurements used in AYA survivorship studies. Presented at the Society of Behavioral Medicine Annual Meeting, March 2024, Philadelphia, PA.

Wirtz MR, Miron, CD, Whalen-Kipp O, & **Ford JS.** (2024, February). Sexual self-esteem in two samples of adolescent and young adult cancer survivors: A qualitative investigation. [Discussed e-poster presentation]. Annual Meeting of the International Society for the Study of Women's Sexual Health, Long Beach, CA.

Davis A, Zeidman A, **Ford JS**, Diefenbach M, Schapira L, & Benedict C. Perceptions of infertility and reproductive concerns in adolescent and young adult cancer survivors. Presented at The 4th Global Adolescent and Young Adult Cancer Congress, June 2023. Long Beach, California.

*Wirtz MR, Karas AN, **Ford JS**, & Revenson TA. Effective interventions for idiopathic chronic pelvic pain: A systematic review. Paper presented at the Annual Meeting of the Society of Behavioral Medicine, April 2023, Phoenix, AZ.

Ahmad ZN, *Miron C, & **Ford JS.** Cancer is Trauma:" Characterizing Symptoms of Post-traumatic Stress among Young Adult Cancer Survivors. Presented in April 2023 at the Annual Meeting of the Society of Behavioral Medicine, Phoenix, AZ.

Ahmad, ZN & **Ford, JS.** Identifying Onco-Fertility Treatment Gaps and Preferences among Hispanic/Latina & Black/African American Cancer Survivors." [Live Research Spotlight

Presentation]. April 2023 at the Annual Meeting of the Society of Behavioral Medicine, Phoenix, AZ.

Fertig M, Wirtz M, Stanton A, & **Ford JS.** Patterns of diet and physical activity in adolescent cancer survivors. Presented in April 2023, Society of Behavioral Medicine Annual Meeting, Phoenix, Arizona.

Wirtz MR. & **Ford JS.** The association between social support and posttraumatic growth with identity status among adolescent and young adult cancer survivors. Poster presented in October 2022. Annual Congress of the International Society of Paediatric Oncology, Barcelona, Spain.

*Wirtz MR & **Ford JS.** Examining the effect of depression on the relationship between health behaviors and body image among childhood cancer survivors. Poster presentation in November 2022. Annual Convention of the Association for Behavioral and Cognitive Therapies, New York, NY.

Hotchkiss M., *Ciniglio A., Maria Z., *Ahmad Z., *Wirtz MR, **Ford, JS.** Cancer-peer connection in the young adult cancer context: Relocating cancer support to community settings. Poster presentation in November, 2022, Annual Convention of the Association for Behavioral and Cognitive Therapies, New York, NY.

*Ahmad Z., Hotchkiss M., **Ford JS.** Oncofertility Experiences among Young Adult Female Latina and African-American Cancer Survivors. Presented at the Society of Behavioral Medicine's 2022 Annual Meeting & Scientific Sessions, Baltimore, MD.

*Ahmad Z, Hotchkiss M, **Ford JS.** Thinking and Feeling the Future in Young Adult Cancer Survivorship. Presented at the Society of Behavioral Medicine's 2022 Annual Meeting & Scientific Sessions, Baltimore, MD.

Hotchkiss M, Ahmad Z, **Ford JS.** Targeted social media recruitment as a method of simple diversification. Presented at the Society of Behavioral Medicine's 2022 Annual Meeting & Scientific Sessions, Baltimore, MD.

Diefenbach M, Richardson S, Miller SM, Hall S, Vira M, Tagai EK, Kutikov A, Correa AF, **Ford JS**, Dauber-Decker, KL, Solomon J, Barnaby, D. The development of multiple types of decision aids for cancer patients and providers. Presented at the Society of Behavioral Medicine's 2022 Annual Meeting & Scientific Sessions, Baltimore, MD.

Benedict C, Thom B. Diefenbach, MA, **Ford JS.** Cancer financial toxicity impacts fertility experiences and family building decision making in post-treatment survivorship. Presented at the Society of Behavioral Medicine's 2022 Annual Meeting & Scientific Sessions, Baltimore, MD.

Tonorezos E, Clark JM, Moskowitz CS, **Ford JS,** Armstrong GT, Chou JF, Mubdi NZ, McDonald A, Sklar CA, Ramanathan L, Robison LL, Oeffinger KO. Exercise and quality diet after leukemia (The EQUAL study): An intervention trial in the Childhood Cancer Survivor Study (CCSS), June 2021, American Society of Clinical Oncology (ASCO) annual meeting.

*Ahmad ZN, Hotchkiss M, Maria Z, **Ford JS.** Perceptions of access to onco-fertility care and family-building among Black/African-American and Latina young adult female cancer survivors. Presented at the SPEECH Regional Cancer Health Disparity Conference, May 2021, virtual meeting. *winner of best clinical science poster

Revenson TA, Freedland KE, **Ford JS,** Feldstein Ewing, SW. Red flags in publishing: How unethical practices hurt the science of behavioral medicine. Presented at panel discussion at the Annual Meeting the Society of Behavioral Medicine, April 2021, virtual meeting.

*Ahmad ZN, *Hotchkiss ME, *Ray E, **Ford JS**. Body image and physical ability among adolescent and young adult survivors of cancer. Presented as a research spotlight at the Annual Meeting of the Society of Behavioral Medicine, April 2021, virtual meeting.

*Hotchkiss ME, *Ahmad ZN, & **Ford JS**. Peer-to-peer connection in the context of AYA cancer: A qualitative exploration. Presented as research spotlight at the Annual Meeting of the Society of Behavioral Medicine, April 2021, virtual meeting.

Benedict C, Diefenbach M, **Ford JS**. Greater fertility distress and avoidance relate to lower decision self-efficacy about family-building after cancer among adolescent and young adult female survivors. Presented at the Annual Meeting of the American Psychosocial Oncology Society Annual Meeting, March 2021, virtual meeting.

Benedict C, Dauber-Decker K, King D, **Ford JS,** Diefenbach, MA. Roadmap to parenthood: Development of an online decision aid and planning tool for family-building after cancer. Presented as presentation at the Annual Meeting of the Society of Behavioral Medicine, April, 2020, San Francisco, California. [conference cancelled because of COVID-19].

*Ahmad Z, Benedict C, **Ford JS**. Cancer management self-efficacy and perceived social support among young adult survivors of cancer at a social networking event. Presented as poster presentation at the Annual Meeting of the Society of Behavioral Medicine, April, 2020, San Francisco, California. [conference cancelled because of COVID-19].

McDonnell GA, Pope A, **Ford JS**. Associations among perceived parent and peer support, self-esteem and cancer-related worry in adolescent and young adult cancer survivors. Presented as presentation at the Society of Pediatric Psychology Annual Conference, March 2020, Dallas, Texas. [conference cancelled because of COVID-19].

Benedict, C., Hahn, A., McCready, A., Diefenbach, M., & **Ford, J.** Family-building after cancer: Understanding patient support needs, perceived barriers, and recommendations for care. Presented at the annual meeting of the American Society of Reproductive Medicine, October 2019, Philadelphia, PA.

*Gordon, ML, Hay, JL, & **Ford, JS.** Sun protection among adolescent cancer survivors: Understanding the intention-behavior gap. Presented at the annual meeting of the American Psychological Association, August, 2019, Chicago, IL.

Gilleland-Marchak, J, Seidel, KD, Ritenour, CW, Leisenring, W, Mertens, AC, Sklar, CA, **Ford, JS**, Krull, KR, Stovall, M, Robison, LL, Armstrong, GT, Meacham, LR. Sexual functioning among male survivors of childhood cancer: A report from the childhood cancer survivor study (CCSS). Presented at the North American Symposium on Late Complications After Childhood Cancer, June, 2019, Atlanta, GA.

Chou, J, Friedman, D, **Ford, JS,** Francis, J, Sklar, CA, Li, Y, McCabe, M, Robison, LL, Kleinerman, R, Marr, B, Abramson, D, Oeffinger, KC, Dunkel, I. Cancer screening practices among adult survivors of retinoblastoma: Results from the Retinoblastoma Survivor Study. Presented at the North American Symposium on Late Complications After Childhood Cancer. June, 2019, Atlanta, GA.

*Bregman, JA, Collins, ML, Shields, CL, Schewndeman, R, Koo, C, Elimimian, E, **Ford, JS.** Psychosocial functioning in parents of patients with retinoblastoma. Presented at the annual meeting of the American Association for Pediatric Ophthalmology and Strabismus. March, 2019, San Diego, CA.

*Darabos K, **Ford JS**. "I'm not a cancer patient anymore, I'm a cancer survivor now": Exploring the meaning of survivorship among AYA cancer survivors. Presented at the annual meeting of the Society of Behavioral Medicine, March, 2019, Washington, DC.

Benedict, C, Diefenbach, M, & **Ford, JS**. Using social media for recruitment? Understanding the advantages and potential biases. Presented at the annual meeting of the Society of Behavioral Medicine, March, 2019, Washington, DC.

*McDonnell, GA, Pope, AW, Schuler, TA & **Ford, JS**. The relationship between worry and posttraumatic growth in AYA cancer survivors. Presented at the St. Jude Future Fellows Research Conference, January, 2019, Memphis, TN.

*Werk, R & **Ford, JS.** Predictors of tobacco use among pediatric cancer survivors during adolescence. Presented at the American Academy of Pediatrics (AAP) National Conference & Exhibition, November, 2018, Orlando, FL.
